## 2" 10' x 20' Canopy Replacement Cover

CANOPY FRAME NOT INCLUDED

### Replace Your Worn Canopy Top.

Don't settle for cheap tarp covers to replace your worn canopy top when you can use one that's just like the original.

- Our covers are the same heavy duty UV treated, heat welded, valance design of the original. Made of the same triple-layer, rip-stop, woven polyethylene fabric material as our popular canopy.
- UV-treated inside and out. Heat-sealed seams not stitched for a stronger bond and absolute water resistance.
- Easy-to-install cover goes up fast with SL bungee fasteners.
